# MENTORS EDUSERV EARLY BIRD PROGRAM

## EARLY BIRD CATCHES THE PREY FIRST

### WHY EARLY ADMISSION

Most of the success stories of Top Rankers in JEE and NEET Entrance Exams is attributed to the fact that these students had started preparing for these Exams well ahead of others. As the Competitive Examinations arena are becoming more competitive every year, it is essential for a student to build strong conceptual base as early as possible. Mentors Eduserv's Early Bird Program is designed to provide the sincere students that extra edge over others.

### BENEFITS OF EARLY ADMISSION

- Through Mentors Eduserv Scholastic Aptitude Test (ME-SAT), we are going to offer "More Scholarship" to the students. This will be done to motivate the student for "Early Admission" and provide them the opportunity to experience an easy going early completion of course. By taking Early Admission, student will save time & fee simultaneously.
- Opportunity to enroll at "Lower Fee" as fee will increase for the forthcoming Mentors Eduserv Scholarship Tests.
- Students enrolling on the basis of Mentors Eduserv Scholastic Aptitude Test (ME-SAT) have a golden opportunity to be a part of "Early Batches" commencing from April 2024. Early commencement of classes will ensure earliest completion of Course Syllabus. It provides the students an ample time for exhaustive and repeated revision of Syllabus. It will greatly assist the students in giving a better BOARD/School Performance along with securing Top Ranks in JEE, NEET, NTSE & OLYMPIADS Examinations.
- Opportunity to be a part of "Mentors Eduserv Achiever's/Star Batch" comprising of Bright Students.
- The time ahead is very important in deciding your future. The importance of every moment of time is realized by the students just before the actual Examination day during revision of the complete course. The fact about Competitive Examinations is that even a few marks decides the rank & future of several students. Hence, realize the importance of time and you shouldn't waste it.
- If you take admission after your BOARD/School Exam result is declared, you would have already wasted your 2-3 essential months from the session. If you take admission late, then your course will get completed on time but comparatively it wouldn't be that smooth & easy going. You should save your essential months by not waiting for the BOARD/School Exam results to be declared.
